LEGAL EXPERIENCE

Rincker Law, PLLC, New York, NY

Principal

July 2009-present

Owner and principal attorney of a national general practice law firm concentrating in food, farm and family. On the family and matrimonial side, the practice includes uncontested and contested divorces, child custody disputes, child support, spousal maintenance, orders of protection, and nuptial agreements. The food and agriculture side of the practice includes work for agriculture producers, agri-businesses and food entrepreneurs such as business formations, farm leases, trademarks, estate and succession planning, pre and post judgment debt collection, livestock contracts, real estate transactions, non-disclosure agreements, cottage food operation law, food labeling compliance, landlord-tenant disputes, and environmental law. Conducts mediation for family law, divorce, commercial and agriculture disputes. Started "Fridays with Cari" webinar series students and attorneys interested in a career as an agriculture lawyer.

Software Solutions Integrated, Inc., Shelbyville, Illinois *General Counsel* January 2017-present

General business counsel for the largest agriculture software company in the United States. Managed and advised the company on its trademarks, Non-Disclosure Agreements, License Agreements, Reseller Agreements and other contracts.

Budd-Falen Law Offices, L.L.C., Cheyenne, WY

Associate

July 2008-June 2009

Worked as a litigation associate in a five-attorney environmental and natural resource litigation firm with a regional practice. Managed a broad based caseload ranging in issues concerning federal lands, property rights, agriculture, environmental law, crop insurance, construction, contracts, wind leases, and probate.

Permanent Mission of Marshall Islands to the U.N., New York, NY *Advisor* Fall 2006
Selected to participate in Yale University, School of Forestry's United Nations environmental diplomacy program. Wrote speeches and gave voting recommendations for the General Assembly.

Simmons Cooper LLC, New York, NY *Law Clerk* February-September 2006
Conducted legal research and wrote memoranda on issues concerning international toxic tort litigation, including asbestos, mining, tobacco, fungicides, insecticides, and petroleum spills.

Food and Agriculture Organization of the United Nations, Rome, Italy *Consultant* 2006
Helped write chapter of the *State of the World Report on Animal Genetics Conservation* on national, regional, and international legal frameworks of livestock biodiversity.

Philadelphia District Attorney's Office, Philadelphia, Pennsylvania *Intern* May-June 2005
Assisted prosecution in the municipal court division handling narcotics, attempted murder, burglary, forgery, domestic violence, and battery cases.

Los Angeles Public Counsel, Los Angeles. *Law Clerk* April 2004
Volunteered in the Homelessness Prevention and Child Advocacy Unit and participated in advocacy clinics at three juvenile halls. Coordinated cases in the areas of immigration

National Cattlemen's Beef Association, Washington, D.C. *Policy Intern* March 2004
Researched food policy and regulatory issues in beef production systems. Wrote public comments and assisted with national convention.

United States Congress, Washington, D.C. *Policy Intern* Summer 2002
Assisted with agriculture and natural resource policy for the Honorable Kevin Brady (TX) through the Texas A & M University, Agriculture and Natural Resource Policy ("ANRP") Internship Program on Capitol Hill.

TEACHING EXPERIENCE

Vermont Law School, South Royalton, VT *Adjunct Professor* July 2017-present
Taught a food and agriculture policy course online where students learned about practical aspects of practicing food and agriculture law for a farming clients. Topics discussed include choice of business entity and formation, permits, agri-tourism, liability reduction, property law, intellectual property, food safety, on-farm poultry slaughter, restaurant permits, employment and labor law, farm leases, and other ancillary issues.

New York University, New York, New York, *Adjunct Professor* August 2013-January 2014
Taught the undergraduate food law class in the Steinhardt School of Education, Department of Nutrition, Food Studies and Public Health. The course included food labeling, direct farm marketing, not-for-profit organizations, federal nutrition programs, cottage food operations, commercial kitchen licenses, National Organic Program, biotechnology and genetically modified organisms, food safety, on-farm poultry slaughter, nutrient and health claims, egg regulation, Country-of-Origin Labeling, Food Safety Modernization Act, land use and zoning, agriculture districts, urban agriculture, dietary supplements, intellectual property, international trade, employment and labor law, insurance, environmental law, kosher/halal foods, food trucks, restaurant law, milk prices, and leases.
