### *About Cari*

Rincker Law, PLLC is a national general practice law firm concentrating in food, farm, and family law. Cari is an award-winning lawyer and blogger, a trained mediator, prolific writer, and articulate speaker.

Cari authored "Onward and Upward: Guide for Getting Through New York Divorce & Family Law Issues" and "Field Manual: Legal Guide for New York Farmers and Food Entrepreneurs."

Cari has developed a strong love for her skillful work as a family and matrimonial attorney. She is a trained mediator for divorces and child custody and visitation disputes. Cari is passionate about alternative dispute resolution with family and matrimonial cases, especially when children are involved and aims to build stronger families—not tear them apart.

Cari's passion for agricultural issues is deeply rooted. She grew up on a seedstock Simmental cattle operation in Shelbyville, Illinois where she spent significant time working on her family's farm. She showed cattle through 4-H and FFA at both local and national levels. She continues to judge livestock shows and enjoys working with youth.

"There is nothing more fundamental to life than food, farm, and family. Our communities depend on its strength."
